

AUGUST 18, 2009

**Church family... Deacon Nominations are throughout the month of August.**

Please be in prayer about the men who will be recommended to the Deacon Nomination Team. There are men within the family of First Baptist who continue to serve diligently because of their love for Christ and their personal drive to see His church grow and become a source of hope and beacon of light to our community. If you would like to recommend one of these men to serve as a deacon at First Baptist, please contact the church office or one of the ministers on staff. Pray that those whom the Lord will call to serve as a deacon are attentive to His word. And pray for wisdom for the Deacon Nominating Team as they interview those recommended.

That Christ Be Glorified!

## Decision Time has begun!

We meet at 5:00 pm in the Adult 9 Sunday School Department  
(where the church offices were located on the first floor of the education building)

This is only a 6 week session... it will be over in time for you to join the other Bible Studies that are beginning in September without missing too much. Commitment Counseling Training will give you tools to assist the staff during invitations at the close of a worship service or during an invitation at an event.

Those who are available to help counsel during Heaven’s Gates Hell’s Flames should see this as a must-do training. We will be studying the materials to be used during counseling and provide practical ways to implement your training during each worship.

We are also in need of trained counselors to be available at other events and worship services each week. Please consider how you can be a part of this ministry. The course is only 6 weeks and there are several helps available to assist in any memory work. If you have any questions about how to be involved please contact Randall Jenkins.

### MEN’S BIBLE STUDY

Beginning September 13  
Located in the Adult 4 Department  
on the 2<sup>nd</sup> floor at 4:45 p.m.

Men, you will enjoy the next 12 weeks as you understand what revival is and how God accomplishes that work in your life while walking through the book of Hosea with other men. You’ll be encouraged and challenged to live in spiritual renewal and victory as we return to the Lord and discover barriers that could limit your personal experience of God’s downpour. Bring your Bible and a notebook... you’ll need them.

See You At The Pole  
is Wednesday, September 23<sup>rd</sup>

Students, be sure to check all youth announcements regarding times and rallies!

Royal Ambassadors is the missions-discipleship for boys in the first through fifth grade. You just read in the above notice that the preschool and children's ministry is all about leading our girls and boys into a right relationship with the Lord in such a way that they become godly men and women. Over the years FBC has had an outstanding group of men who led this group of boys... and in a few short weeks we will begin another year of missions ministry and service. If our church is going to create good men who are involved in service through missions, then we will need to begin with good boys; and those good boys are a result of godly men showing them and leading them to desire to be good. Create good boys first, and we have the potential for great men. Brothers in Christ... Contact WES today and let him know you are available to invest in the lives of these boys.

## Heaven's Gates-Hell's Flames

This is the first official announcement for church members to become involved! If you've been looking for the dates... here's your opportunity. Heaven's Gates-Hell's Flames will be presented October 25-27. (Sunday, Monday, Tuesday). There is a large cast of actors and stage/technical crew that will be needed. The production company requests that all of those who are involved commit to the ministry project and fully commit October 23 (Friday) through October 27 (Tuesday) as top priority. If you are unable to commit your time, especially those who are actors, to those dates and your personal presence, then they ask you select other ministry tasks for this huge event. If you have any questions regarding your place of service at this event, please contact Randall Jenkins.
