FIRST BAPTIST CHURCH CRESTVIEW MUSIC MINISTRY

Instrumentalists... there is an opportunity for you to begin serving and participating in worship through being a part of an orchestra. Contact Paul Conrad if you are available to be a part of this ministry: paulc@fbccrestview.org
Make the call to be on the list.

DID YOU SEE A GUEST in worship this Sunday? Or last week? If so, what were the names? We've missed a few quests who did not hand a card back. You can help the outreach teams follow-up by greeting our guests before and after each worship! Let them know you're glad they attended and get their information. Call us on Monday, we may not know they were here.

Here are a few items of interest you need to know about and consider how you can be involved:

- **Men and women are needed in Preschool and Children's ministry (Sunday mornings, Sunday afternoons, and Wednesdays) - When is the best time to begin preparing to be a godly man or a godly woman? If you read the Bible, it's pretty much right after you're born. Are you a part of the Children or Student ministry? Are you continuing to encourage and challenge Adults?**
- **Small group leadership on Sunday nights - this is for Adults of All Ages. If you're out of high school then you should either be involved in discipleship or meeting in a small group gleaning the truth of God's word and making application.**
- **Up-coming Discipleship Opportunities - August: Decision Time Counselor Training, Precepts: Revelation**
- **Wednesday Suppers start on August 19**
- **First Sunday of the New Sunday School Year - August 16 - And yes, we do need a few more leaders to step up and say "Put me in the game coach"**

Royal Ambassadors is the missions-discipleship for boys in the first through fifth grade. You just read in the above notice that the preschool and children's ministry is all about leading our girls and boys into a right relationship with the Lord in such a way that they become godly men and women. Over the years FBC has had an outstanding group of men who led this group of boys... and in a few short weeks we will begin another year of missions ministry and service. If our church is going to create good men who are involved in service through missions, then we will need to begin with good boys; and those good boys are a result of godly men showing them and leading them to desire to be good. Create good boys first, and we have the potential for great men. Brothers in Christ... Contact WES today and let him know you are available to invest in the lives of these boys.

Church family... Deacon Nominations are throughout the month of August.

Please be in prayer about the men who will be recommended to the Deacon Nomination Team. There are men within the family of First Baptist who continue to serve diligently because of their love for Christ and their personal drive to see His church grow and become a source of hope and beacon of light to our community. If you would like to recommend one of these men to serve as a deacon at First Baptist, please contact the church office or one of the ministers on staff. Pray that those whom the Lord will call to serve as a deacon are attentive to His word. And pray for wisdom for the Deacon Nominating Team as they interview those recommended.

That Christ Be Glorified!
