## Getting the RIGHT Job

- employment, unemployment, underemployment -

Downsizing, being laid off, fired, loss of benefits, or a spouse losing a job takes a toll physically, spiritually, financially and emotionally. Help is here. We are here to offer encouragement, support and training. Discover a fresh Biblical view on your career, career change and how to seek employment while receiving encouragement and practical training. The following are a few of the topics: where am I, Christian perspectives on work, my true calling, current resume writing, my most important journey, the perfect job, interviewing skills, building a network, interviewing, the real job never ends, success stories. If you or someone you know has lost a job and needs a bit of encouragement, "charged up", or challenged to press on encourage them to attend!

# FIRST BAPTIST CHURCH CRESTVIEW MUSIC MINISTRY

Instrumentalists... there is an opportunity for you to begin serving and participating in worship through being a part of an orchestra. There are several musicians hiding in the pews who are talented musicians and yet are not involved in any ministry. Having a "hidden talent" is an oxymoron that should not exist within the church. God gives us talents and gifts to build up the body of believers and use to glorify Him. You are encouraged to contact Paul Conrad regarding the orchestra. If you are available to be a part of this ministry this is your invitation. Email Paul at paulc@fbccrestview.org or call the church office and let him know the instrument you play. Make the contact personally to make sure you are on the list.

LIFELINE Choir tour leaves Saturday!  
Please put this group of students on your prayer calendar for July 11-18. The homecoming concert will be July 19.

## **CHURCH FAMILY...**

**Here is information of how you can help support  
the mission team to  
New Mexico**

**July 31/August 1-August 8**

*A team of 19 church members will be traveling Vanderwagen, New Mexico to minister to a Navaho church and her community. The pastor is a Native American who has continued to minister faithfully in starting and growing a small congregation committed to reaching the Navaho tribe. The team will be working on construction projects at the church and homes while participating in various ministry projects in the morning and day and leading training conferences for men/women's ministries, family ministries, and children and youth events during the evenings. The approximate cost for each team member is around \$250.00. This includes lodging, transportation and some of the materials that will be needed for home repairs. If you would like to help defray the cost for members going, contact the church office or Randall.*

*Thank you most of all for your prayers.*

The New Mexico Mission Team is in the process of gathering tools and supplies for the work to be accomplished. If you have an item listed below that can be taken, used, and left in New Mexico for the church and community to use later please bring to the church office prior to July 22<sup>nd</sup>. As you can see the list is rather long. Some of these are obviously "wish list" items, other items are generic to missions work.

There are other opportunities available for church members to assist those going. Contact Randall to find out how: randall@fbccrestview.org
