We have an incredible opportunity to be a part of the community and share with others Jesus and our Church! ***This year at the Crestview festival on October 31 we will have a booth.***

This will give us a chance to tell people about our church and our ministries. We will be doing a very simple booth that will have sand art. This is how sand art works. It is simply a little plastic hollow toy that will be filled with little scoops of sand. The different colored sand will stack on top of each other to make a cool looking figure. That will be put on a string for a necklace. This is typically a big hit with all kids and will be something they will remember that FBC Crestview supplied.

We will probably have the booth open for about 2 to 3 hours. The event begins at 3:00 and I anticipate us closing the booth at 5:30 pm.

We need volunteers to help set up (about an hour or so beforehand) and tear down and also volunteers to commit to stay for an hour... so we'll need several. We need any and all ages, and for families to commit to work together. After you are done working you will be free to enjoy the festival the rest of the day.

Wes

March for Food

The Samaritan House ministered to 43 families last week: and now the pantry is empty. During the weeks of October through November 18 the Blue Tubs will be out once more to receive non-perishable food items. Please consider being involved. Food items needed: canned meats/vegetables/fruits, tuna fish, boxed cereals, macaroni and cheese. If you're not sure what to bring, you may give a donation toward the purchasing of most needed items (designate funds in an envelope or on the memo line of your check)

THANK YOU!

New events coming up...
