

October 27 2009

We have an incredible opportunity to be a part of the community and share with others Jesus and our Church! *This year at the Crestview festival on October 31 we will have a booth.*

This gives us an opportunity to tell people about our church and our ministries. We will be doing a very simple booth that will have sand art: it's simply a little plastic toy that can be filled with little scoops of colored sand to make a cool looking figure. The toy will be attached to a string for a necklace. It will be a really a big hit with all kids and FUN.

We will have the booth open for about 2 to 3 hours. The event begins at 3:00 and I anticipate us closing the booth at 5:30 pm.

We need volunteers to help set up (about an hour or so beforehand) and tear down and also volunteers to commit to stay for an hour... so we'll need several. We need any and all ages, and for families to commit to work together. After you are done working you will be free to enjoy the festival the rest of the day.
