Please express my appreciation to the Girls in Action for their "Christmas in August" gifts. The Bibles and cards are very special. One of the best things we can do is to get the Word of God into the hearts of seafarers from around the world. May our Lord continue to bless you and your church family.

All it takes is an unwrapped clear shoe-box sized box, a few school supplies, small toys or hygiene items, t-shirt, socks, ball caps, hard candy, gum, etc. and \$7 for shipping. Hand all that in by October 30 and maybe even a note from yourself and an Acteen will take it from there. (What not to include: guns or "war" toys, soft candy, used toys, liquids, vitamins, aerosol items)

**Maguire State Missions Offering** --- Of the 18,000,000 residents of Florida, 13,000,000 do not claim Jesus Christ as their Savior. The Maguire State Missions offering provides funds to missionaries and mission projects that target specific areas of ministry for the sole purpose of evangelism and church planting. Our church goal this year is \$3,500.00. # ARE YOU READY FOR SUNDAYS?

Here are a few reminders of the ministries you are welcome to consider personal involvement... you can make a difference!

- **Preschool Sunday School** - Volunteers continue to provide a safe environment for fun and for learning for the kids. If you enjoy sharing the simple, yet profound characteristics of God, we're always welcoming new volunteers... Wes would love to speak with you about what great things are planned in the coming months! Check this opportunity out too... Preschool Children's Worship each Sunday too... so there's more than one place to serve on Sunday morning... and then there's Sunday nights!
- **Children's Sunday School** - You could make an impact for Christ by investing in the future of First Baptist, families, the schools, and the community. When you impact a child's life for Christ, you have a hand in reaching potentially hundreds. And there's BiGstuf! Music, drama, small groups, simple truth, eager ears ready to listen, stories, and more! Check out BiGstuf! Wes has room for more folks to be involved. Teens; if you're looking for a place to begin getting involved in personal ministry, here's another opportunity; call or email Wes!
- **Youth Sunday School** - The LOFT is the place to be for teens to learn, fellowship, grow, be challenged, and gain encouragement for their week ahead. Jeff has recruited a caring and passionate group of leadership for the youth... and if you're willing to commit what it takes to impact a teen life for Christ you'll want to contact Bro Jeff. Call or email to find out what area of opportunities he has available!
- **College** - Lives in transition from youth to young adult to independent adult. If you're looking for an active group of learners who enjoy Bible study, fellowship, games, ministry, fun, spontaneity, and getting involved in numerous avenues of service, then meet us on the second floor each Sunday morning (or at the Lighthouse on Monday nights). Invite a college buddy to come along.
- **Singles** - Singles are attending Bible study on Sunday mornings and many serve in different areas. Tony Day leads this group of adults toward Bible study, fellowship and ministry. The possibilities for this group is virtually unlimited. There are hundreds of Singles in the Crestview area; and we're looking to provide a ministry that will reach their needs. Singles, if you are not involved, this is The place to start. Once you are start getting to know other singles and your church family, the opportunities to grow and serve expand to more than Sunday morning Bible study and worship. Singles, if you're not involved and are looking to be a part of the beginnings of a great ministry, be here. Contact the church office or Tony (tonyday@cox.net)
- **Adults** - There is an age group for every season of life available for adults too. No reservation is required and we have plenty of chairs for all who attend. What is available on Sunday mornings? Bible study, fellowship, ministry and more. Sunday afternoons? Ladies and Men's Bible Studies that challenge, encourage, provide accountability, and offer interesting facts and application for daily life, hope, friendship, and belonging. If your ready to begin serving on the team contact Randall at the church office or email (randall@fbccrestview.org).
- **Worship** - (congregation, ushers, greeters, choir, orchestra, media, counseling, Apple Pie Ministry, etc.) While it is rather obvious that the majority of those attending worship are sitting in a pew, there are some who are involved in some capacity of leading or ministry. We are here to uplift the name of Christ. Ushers and Greeters assist those entering and exiting the building and provide a first impression of the church. Adult and Youth Choir members rehearse each week to prepare for leading in music. The Orchestra rehearses weekly to express their musical talents unto the Lord. The Apple Pie Ministry offers a gesture welcome to those who visit us. Our newest addition are those who will be involved with the Invitation Counseling. This is a new ministry designed to assist those who are making a decision at the end of a worship service or at an event and need just a moment longer than a hymn. The "etc." is added to the list because we are confident that as we mature and grow in Christ there will be opportunities to express that growth in different ways and service to Him.

Our Lord brought you into this family of believers for a specific ministry and purpose. Friend, don't miss out on what God has in store for you.
