Mission Trip Planning and Training dates: May 17th and 24th, June 14th, 24th, 27th. *Once teams are established, they will meet together to coordinate a ministry strategy. Although some planning dates are optional, there will be training sessions that are mandatory. New Mexico Mission Trip... A Few Questions Answered for Our Church Family:

- **How can I be involved if I can't go?** P R A Y. That's the first priority. Begin praying now for those who are going (work/school schedules, health, finances to go and do the work, endurance to do much work). There will be time in the next few weeks to give toward offsetting expenses. Pray.
 - **What kind of tools or resources are needed?** Mostly any kind of hand tool associated with minor construction, painting and general home maintenance repairs. Once the team is established and a list of supplies are compiled the church family will be notified.
 - **Is there an age limit?** Anyone under the age of 17 should have a parent accompany them.
 - **What can our class/organization do to help?** Begin praying now. Once the resources are compiled, we will inform you. Items that we know already in advance: Wal-Mart gift cards to use once we arrive and gas cards to use at fuel stops.
