February 7: Ladies Bible Study - Esther - led by Debbie Davidson. This is a 10 week study on the life of Esther and how her life and personal ministry is applied to today's woman.

There are several "behind-the-scenes" volunteers who continue to help and support the ministries at First Baptist Church. Volunteers give each ministry at FBC the ability to run smoothly. Are you wondering how to be involved?

- **Pray.** God wants you involved and obedient; He will guide you.
- **Stand.** When you say "amen" after your prayer, get up and boldly assume the Lord will give you wisdom to know and do His will.
- **Express your passion.** As the Lord empowers and leads you to do His work, He will bring others along with you who will either join you or encourage you to press on.
- **Be involved.** The Christian walk is not a spectator lifestyle, rather, it is a lifestyle of active loving and serving.

First Baptist Church Ministry Fair

February 28

Church Family, the more we get to know what the church outside the four walls is doing other than on Sunday mornings, the more we'd like others to know who may enjoy walking and ministering with you.

So... we'd like to help getting your ministry known to brothers and sisters who may have a common interest. Many of you may not know the contact persons for volunteering at the Manor or Samaritan House. Or that there's a way to help prepare meals for Habitat for Humanity work crews. Or that you can mentor kids and teens. There are people at FBC who are performing their ministry inside and outside of the church walls. They are developing their talents and using their giftedness to build the Kingdom of God. If you are already involved in a ministry and think your church family would enjoy knowing about it and perhaps even helping, then email Randall or come by the office and let him know the details. We can impact our church families and our community for Christ. If you'd like to be a part of the Ministry Fair, let us know... quickly.

We're in the planning stages right now... and this event is on the calendar. The Lord has called us to "go and do." This event can help give direction and training for even bigger things for the glory of the Lord.

Be a part... not apart.

QUARTERLY Business Meeting is coming up Sunday night after the evening worship.

- There's no doubt that we will do our best to use wisdom in planning and following the Lord's plan for 2010. The main thrust of that plan for ministry and events during the coming year is that of sharing the love of Christ through preaching the Gospel and reaching our community for His glory.
 - Every ministry, program and event we seek to fulfill will require the following from our membership: prayer, humility, committed and involved leadership, enthusiasm for the things of God, flexibility, supernatural guidance from the Lord, and funding. "Funding" may not seem very "spiritual," but it does reveal our total commitment to allow the Lord to use a part of us... or all of us. Christ is Lord of all.
 - We covet your prayers and your involvement. Let's make 2010 a great year for sharing the Love of Christ. The Crestview Community can be a whole different place on December 31st if we so choose.

WINTER FEST

Mobile, Alabama

Cost for concert is \$10 at the door.

dot-com-savvy?

There are a lot of folks who are able to put together a great website with all the bells and whistles. While we may not need to be over-the-top on every available color and option for a site, we are interested in improvement. We've got great volunteers who keep us up-dated and make changes as needed. We'd like to have a couple more on the team. If you're available to assist and have time let us know. Contact Randall at randall@fbccrestview.org or come by the church office.
