**NOTICE: Church Family Members Who Smile and Enjoy Church
YOU HAVE BEEN NOTICED ENJOYING THE FELLOWSHIP OF BELIEVERS**

Over the last few weeks we've noticed that a few families are growing closer to the Lord and attending more often and smiling in the hallway as they go to Sunday School and Worship. If the mothers and father continue to walk faithfully with the Lord and nurture their children we will have no choice but to continue this incredible trend. And should this trend continue, we as a church body may tend to see more guests and friends of members attend to find out what is happening. Be aware that this is no mere coincidence or mystery. When you encounter a guest or visitor, encourage them to worship and fellowship. They may be the one person God had on your to-do list in greeting and becoming a blessing. Remember, age and spiritual maturity is not the starting place of God's work; it's all about location of the heart. And if the heart is in the center of God's will and in a safe place to be nurtured... then we can expect one's heart to be influenced by His love. So, continue to come. Continue to be involved. Continue to pray, worship, minister and share. Families transformed by the love of Christ change the church, change the community, and, they can change the world.

If you have not become a part of this growing segment of believers who enjoy fellowship, worship and ministry there is still time for you to join us. Many leaders are still needed to continue the good work. Call a staff member to find out where you can get plugged in.

You are NOTICED!
